Regular giving by Standing Order

If you use online banking you can set up a standing order in just a few steps.

- 1** Login to your account and find the 'set up a standing order' option (eg. for Bank of Ireland this is in the Manage Accounts section).
- 2** Fill in the relevant details (see above for Christ City Church's bank details). Please add your name as the payment/payee reference.
- 3** Confirm your request.

Ad hoc giving by Bank Transfer

If you'd like to give but can't commit to a regular amount, you can still use online banking to set up Christ City Church as a payee, and then choose when and how much you give.

- 1** Login to your account and find the 'money transfer' or similar section.
- 2** Add a SEPA payee and fill in the relevant details (see above for Christ City Church's bank details). Please add your name as the payment/payee reference.
- 3** Once you have added Christ City Church as a payee you can go back to the money transfer (or similar) section, choose the payee, specify the amount and make the transfer.

*Please note: depending on your bank things may look a little different from this, but you shouldn't need any further details.

*If you don't use online banking you can telephone or call into your branch with these details and they will be able to help you.

Ad hoc giving by cash or cheque

If you'd prefer to give by cash or cheque (payable to Christ City Church), please put this in an envelope and deposit it in the post box which is available at our Sunday gatherings. Alternatively you can give it to Justin Anderson, or post to or put through the door of 18 Linenhall Street, Smithfield, Dublin 7. This is the registered address for Christ City Church.

If you have any questions please speak to Justin Anderson (email justin@christcitychurch.ie).

Please complete a Revenue CHY3 Enduring Certificate (found on the welcome table or the Revenue website) so that we can claim tax relief on your giving. If you are giving as a couple/family you only need to complete this on behalf of one of you (the highest earner). There's a tick box on the bottom of the Revenue form to say you are 'associated with the approved body'. This only needs to be ticked if you are involved in the governance of the church and doesn't apply to all members. Please note that the information entered on this form will only be used for the purposes of claiming tax relief from Revenue and stored as per our data protection policies, which comply with EU regulations. Please put this in an envelope and deposit it in the post box which is available at our Sunday gatherings.
